“ Year ago I worked at the American Red Cross doing blood drives and had the pleasure of meeting Betty. She was a huge blood donor. I kept nudging her to volunteer in the Canteen with me. Once she started she did not stop. I could never thank her enough for all she did. I am sorry to say I have not seen her in years, but will never forget her kind heart and dedication to the world around her. Betty you will always be a true gem in my book

“ Betty was a very special person. I have very fond memories of the time we spent working together. She worked for my Father and then for me for over 30 years. Her passing has brought back many fond memories. My daughters grew up around Betty and they often talk fondly of the experiences they remember about being around her. My sincerest sympathy to Drue and the rest of her family. I know you will miss her tremendously, as will I and my family
