“ Carolyn and family,
I am so sorry for your loss. It had been several years that I last spoke to Britt, but of course it was about sports and in particular Benton basketball. We shared a few laughs and memories as I recall. As a teacher, coach and friend I know he will be missed by all with whom he had contact. Great person, great player! Our thoughts and prayers are with you at this most difficult time.

“ Carolyn, Petrina, Brett and Families,
I am so very sorry for your loss. There are no words, only thoughts and prayers for all of you. At times we are not meant to understand life but to have Faith that he was needed else where for something great.
I have many memories of the boys and times at your house! I hope your memories help you through.

“ Phil and Carol and family, so sorry to hear of your unexpected loss. You are in our thoughts and prayers, we wonder why these things happen in the prime of life to our family, and I'm sure it will test our faith. I enjoyed and appreciated seeing Britt dribbling two basketballs up and down Waller Road, we used to tell our kids if he could dribble two at one time they ought to be able to do one ! We have lots of good memories. Keep your faith in our Lord and Savior and he will carry you through. Dick/Janet Kriebel
