“ Donna and her family were close neighbors in Levittown, PA in the 50's and 60's. We raised our children together...Dixie, Doug and Dexter. The memories of those times together are special to me. Dexter was the sparkplug of our neighborhood. Every summer he would go away to his grandparents in a place called Benton. He would drive all the young mothers mad when he would show our 'city' boys how to pee in the bushes outside 'cause that's what he did on the farm. The family moved to FL for Merle's health a few years before I was to discover the beauties of Benton myself. I had a surprise many years later when Donna and Dexter were visiting the area and dropped in on me. What a great time we had remembering the 'old' days. She was a lovely and loving lady. My prayers are with Dixie and Doug at her passing.
