“ *Dorothy was such a wonderful lady. Always had a sense of humor. Always had a smile on her face even if she wasn't feeling well. I will always remember how she drank her coffee watered down but yet she loved her coffee creamer. I remember the day we baked cookies together. She knew I lost my mom and she told me I could be her adopted daughter. Such a loving, kind woman. I will never forget you Dorothy, may you rest in peace. Love always*❤️

“ I knew her from her ex-husband Ken Weaver, I use to work with him. I also drove K Cab and took her places. I wants to say I'm so sorry for your loss. She was a very nice lady.

“ My grandmother was the type of person who would give you the shirt off her back if you needed it. She was fierce, kind, independent, and had a great sense of humor. I'll remember her wonderful stories of all her children the most.
