“ Hi Deb, Bobby, and families,
I just wanted to express my condolences and let you know that your mom was the BEST!! I have so many memories about our card club days..With all their aches,pains, and snapping about each other, those ladies stuck together. Maybe they will be playing cards and still snapping at each other in their beautiful new home. She loved talking about the two of you and your families. You were her joy.. I am unable to attend her services because we will be out of town so I wanted to let you know I will be thinking about all of you.
