“ Mike (Uncle Mike as his kids of Red Rock called him) was a man of men. He treated all us kids with the respect we were looking for during our troubled times. He was a great mentor and awesome person. Im grateful and proud that I can say I know Mike Spock.

Rest Easy, Uncle Mike !

“ Grew up in Edwardsville also and knew the Spock family well. Debbie, Ronnie and Michael each had the gift of a great smile and a gift of knowing how to let you know they were your friend. My memory of Mike was seeing him walking down the sidewalk and always having the time to say hello and ask about my brothers and family....to me that was always special because he took the time to ask how "we" all were...R.I.P. Mike Heaven has gained a good soul....

“ I grew up in Edwardsville with Mike , Ronnie and Debbie. My mom and their mom were best friends as Debbie and I are. Our childhood was fun and wild as it should have been if you knew Mike. RIP Mike, you will be missed❤️

“ We got to know Michael from coming to the lab at Berwick Hospital. He was always a joy and a fun patient to have. We will miss seeing him and hearing his stories.

One particular time that will always make me laugh is when we planned it out to make a big scene about getting his blood drawn. He yelled and yelled while I drew the blood and then on his way out the door he yelled and was almost dragging his arms on the floor and told the people waiting that it was horrible and to not go near the girl in the room. Of course nobody believed him but we had a good laugh doing it. RIP Michael and I know your doing your toothpick models up there in the sky. You will be greatly missed.

“ My best memories growing up were all the holidays together. Thanksgiving, New Years, and 4th of July at your house, Christmas, Easter, and Memorial day at ours. The 4th of July fireworks displays were always incredible fun and I most especially remember our Christmas Eve card games in our basement. You were a very special part of my life. May you Rest in Peace and have some fun up in Heaven with my Dad!
