“ Teri and families, so very sorry to hear of your loss. I'll always remember telling Bobby to save that white sports car for me a long time ago. Then when I finally bought my own Pontiac Firebird, he brought me a container of special wax to use on it. That's the kind of guy he was, special. Rest in Peace, cousin. Connie McNett

“ Teri & Kelsey,
We are so sorry to hear about Bob and understand that no matter what words we share, no one can describe the pain that you are going through. I do have some memories to share about Bob. Bob was in love with snowmobiling as was I, and every time the snow was on the ground Bob was on the phone recruiting riders. No matter how much snow we had (too much or too little) Bob would lead the way and I can testify that it was next to impossible to stay up with him because he was gone like a shot and the only way you could see him again was at the next turn or stop. Bob was a very good rider and he sure lived life to the fullest. Bob will truly be missed.

Our thoughts and prayers are with you !

*To the Bob Castle family,
Please accept our sincere condolences at Bob's passing. He was a
good, thoughtful, and caring person. I remember that white
Volkswagen pulling in my driveway on a cold, and rainy September
morning to give me a ride to WACC so I wouldn't have to ride the
motorcycle in the rain! May God bless you in this difficult time. Rest in
peace Bob.*

*To the family of "Bob"
Several things pass through my thoughts as I try to make sense of our dear nephew's death and this is what's at the top of the list: "Only the good die young" and from what I hear, he was a true Angel. I had not seen him for many years, Being his Dad's sister Edna, I feel the pain of their loss as well as his family and friends. Memories remain forever.
Rest in peace dear Bobby, we'll love you always.*
