“ Pat and boys,
*I am so sorry for your loss.
I remember cutting Scott's hair, and the boys when they were young kids. Carol used to bring them and she always had many good things to say about all of you.
May you find peace and comfort in your memories.

“ *My heart goes out to you & your family. Scott & his family have been a part of my life for 25 years, from the time they bought the farm I grew up on. As the years went by our friendship just grew stronger & stronger. The Warys have always been like family to me. I watched Austin & Ethan grow from little boys to wonderful grown young men. Scott has always been there for me thru the good times & the bad times. One of my favorite stories was what we called the grease gun incident, Scott was the only grown man I ever saw get in a fight with a grease gun ! To make a long story short, I think the grease gun got the best of him ! I loved to joke with him about him being on the couch watching TV on a nice day & tell him he can get up & come out that the couch wouldn't run away, I always would say to him, someday I'm going to put wheels on that couch so he could come out ! I could go on forever with all the good times I have shared with Scott & his family. Scott was like a brother to me. He will be in my heart forever ! I love you brother & God Bless.*

Be at peace, Love, your neighbor, your friend, your sister, Sharon !
